“

It's normal for an employee to not know what benefits they want to elect right away. With Ease, they're able to review plan options, compare costs, and complete enrollment from home. No one is tied to paper or their desks.

“

Ease helps us reduce errors. I love that the system won't let an employee move on to the next step in the enrollment process until the necessary information is entered correctly.

The screenshot displays a user interface for selecting a benefit plan. On the left, a vertical navigation menu lists steps 1 through 9: Overview, Profile, Dependents, Documents, Benefits, Medical, Dental, Vision, Beneficiaries, Summary, Sign Forms, and Finish. The 'Benefits' step is highlighted with a green dot, and the 'Medical' sub-option is also highlighted.

Two plan options are presented in the center:

- Medical Select HMO Gold Network** with a cost of **\$35.22**. Under the 'Documents' section, there are links for 'Summary of Benefits & Coverage', 'Plan Summary', 'Provider Directory', and 'Video: Learn About HMO Plans'. A green 'Selected' button is visible.
- Medical Select PPO Silver Network** with a cost of **\$25.34**. It has a similar 'Documents' section with links for 'Summary of Benefits & Coverage', 'Plan Summary', 'Provider Directory', and 'Video: Learn About PPO Plans'. A blue 'Select' button is visible.

On the right, a **Benefits Summary** table shows the costs for each plan:
